Copyright Transfer Statement

***Advances in Electronics
and Telecommunications***

Title of article:

Author(s):

Date

Signature of author(s)

The copyright to this article is transferred to the Publishing House of Poznań University of Technology (for U.S. government employees: to the extent transferable) and becomes effective if and when the article is accepted for publication. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

The author(s) warrants that the work described has not been published before (except in form of an abstract or as part of a published lecture, review or thesis); that it is not under consideration for publication elsewhere; that its publication has been approved by all co-authors, if any, as well as - tacitly or explicitly - by the responsible authorities at the institution where the work was carried out. The author warrants that his/her contribution is original and that he/she has full power to make this statement. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. Transfer of copyright to the Publishing House of Poznan University of Technology becomes effective if and when the article is accepted for publication. After submission of the Copyright Transfer Statement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted by the Publishing House of Poznan University of Technology.
